

NOCIL Limited Investor Presentation Q2 & H1FY25

Safe Harbour

This presentation and the accompanying slides (the "Presentation"), which have been prepared by NOCIL Limited (the "Company"), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

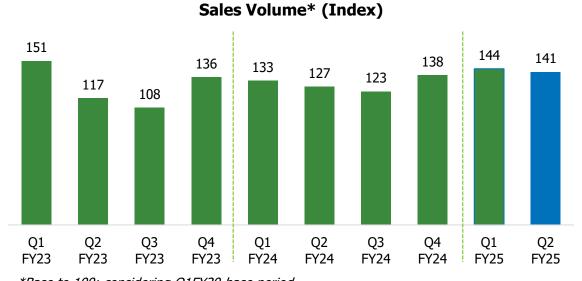

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on, the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company's market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the company's ability to successfully implement its strategy, the Company's future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cash flows, the Company's market preferences and its exposure to market risks, as well as other risks. The Company's actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

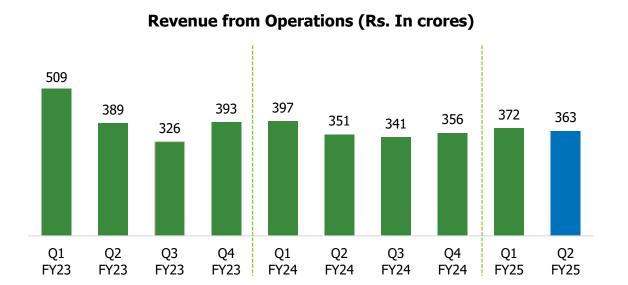

Financial Highlights

Quarterly Performance

*Base to 100; considering Q1FY20 base period

Quarterly Performance Highlights

- Volumes for Q2FY25 grew by 11% on Y-o-Y basis
- > Volumes for Q2FY25 de-grew marginally by 2% on Q-o-Q basis
- Volumes for H1FY25 grew by 9% on Y-o-Y basis
- > Volumes in exports continue to show growth trajectory

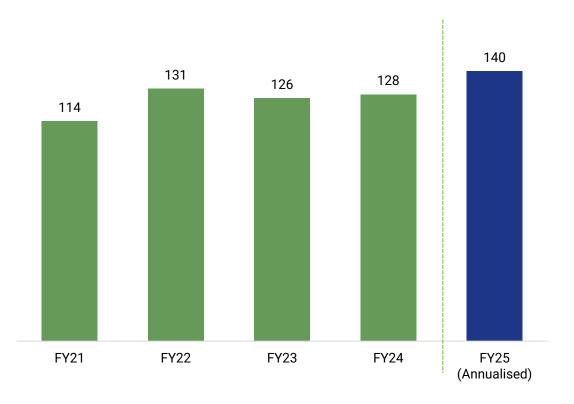

- > Selling prices remain flattish on Q-o-Q basis
- Judicious mix of price and volume play continues on back of ongoing challenging market conditions

Glimpse of our Plants

Navi Mumbai, Maharashtra: Engineering Precision

- Established in 1976, strategically located in the Trans-Thane Creek Industrial Area
- Well-equipped to manufacture a comprehensive range of rubber chemicals, boasting advanced technology and automated control systems for efficient and precise production processes

NOCIL possesses advanced manufacturing facilities equipped with cutting-edge technologies to produce high-quality rubber chemicals that meet international standards

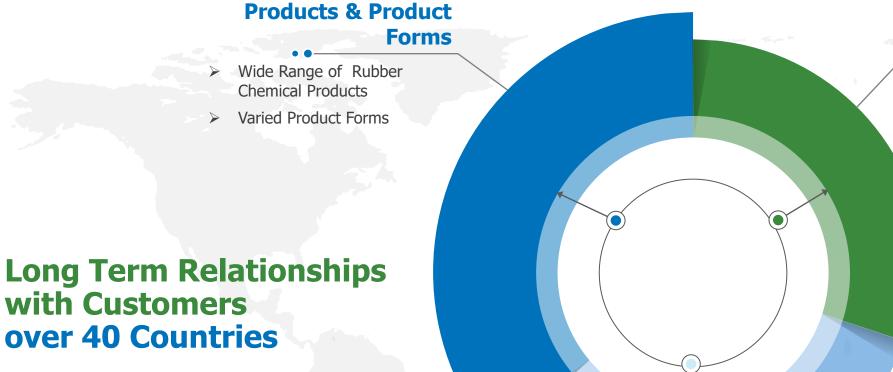

Dahej, Gujarat: Cutting-Edge Manufacturing

- State-of-the-art facility operational since 2013. Its strategic proximity to petrochemical industry and ports like Dahej and Hazira enhances its operational efficiency
- Employs fully automated processes and in-house technology to ensure optimal operations and product quality
- The Company has done various debottlenecking projects. To pursue its long-term objective in the RC space, recently announced capex program of Rs. 250 Crores demonstrating its commitment towards a sustainable growth.

Announced capex program of Rs. 250 Crores in Dahej facility demonstrating its commitment towards a sustainable growth

Our Value Proposition

Sales, Marketing & Technical Services

- Market Responsive Approach
- Strong MTS Team to offer Technical Services

R&D and Quality Assurance

- Experienced, capable & innovative team of R&D scientists
- > Ultra Modern Laboratories & Pilot Plant Facilities
- Latest Analytical Instruments

Diverse Product Range

| With strong focus on innovation and sustainability, NOCIL aims to double its market share by leveraging its existing product portfolio and tapping into growth | Accelerators | Increase the speed of vulcanization Permit vulcanization to proceed at lower temperatures & with greater efficiency | |
|--|-----------------------------------|--|---|
| opportunities in Asia, Europe, and the US | | Anti avidanta vital in rubbar compounda datar againa | |
| | Anti-Degradants/ Anti-Oxidants | Anti-oxidants, vital in rubber compounds, deter ageing and prevent degradation of rubber products from oxygen attack, thereby extending their service life | |
| 20+ Product Varieties of Rubber | | Pre vulcanization inhibition, Post vulcanization | 5 |
| Chemicals | Other applications | stabilization, Latex based applications, etc > Improving overall quality & longevity in rubber- based products | |

R&D and Total Quality Management

Research & Technology Development

- NOCIL's Research Centre in Navi Mumbai recognized by Ministry of Science and Technology, Govt. of India
- ➢ Key Areas Focused upon
 - Process Development, scale up, commercial implementation
 - Environmental strategies for sustainable growth
 - Research initiatives tailored to customers' perceived needs

Quality Assurance

- Quality Management System emphasizes on Quality of Raw materials, Finished Products as well as in Process Sample Analysis
- The Quality Control Laboratory operates round the clock and is equipped with the latest Analytical Instruments & Equipment's

Certifications

- > ISO 50001:2018 for energy management systems
- > ISO 9001:2015 for quality management Systems
- ISO 14001:2015 for environmental management systems
- ISO 45001:2018 for occupational health and safety management systems
- ISO/IEC 17025:2017 accreditation for Quality Assurance and Marketing Technical Services laboratories
- `Responsible Care' Certification from the Indian Chemical Council
- IATF 16949:2016 for automotive quality management systems

Rubber Chemicals – Industry Trends

Stringent Environmental compliance

Cost increase in China leading to Better level playing field

High Performance Tires

Extended life, Automotive & Industrial products will increase rubber processing chemical loadings

Rising Income Levels

Increase in Motor vehicle ownership rates, especially in developing nations would need additional consumption of rubber processing chemicals NOCIL's strengths lie in its integrated value chain, technological advancements, extensive product range, and strong marketing network & technical service and extensive distribution channel

Our commitment to R&D and innovation has enabled us to stay ahead of industry trends and deliver high-quality products consistently

These operational strengths are fundamental to our strategy and provide a 'stable' foundation for sustainable growth

Strong Foundation Through Our Geographical Presence

NOCIL has effectively positioned itself as key global player in the rubber chemical industry. Its leadership position is fuelled by its commitment to high-quality products, comprehensive service offerings, and a strong export strategy aimed at reducing reliance on the Chinese market to ensure long-term supply stability. China +1 strategy has additionally pushed NOCIL's strategy to expand in the exports market.

Awards & Accreditations

Rubber Consumption

Global Rubber Consumption (Natural + Synthetic)

In million tonnes

- Rubber Chemicals constitute
 ~3.5% of the Rubber
 Consumption
- Global Rubber consumption for CY24 shows a de-growth of around 3% compared to CY23 on annualized basis

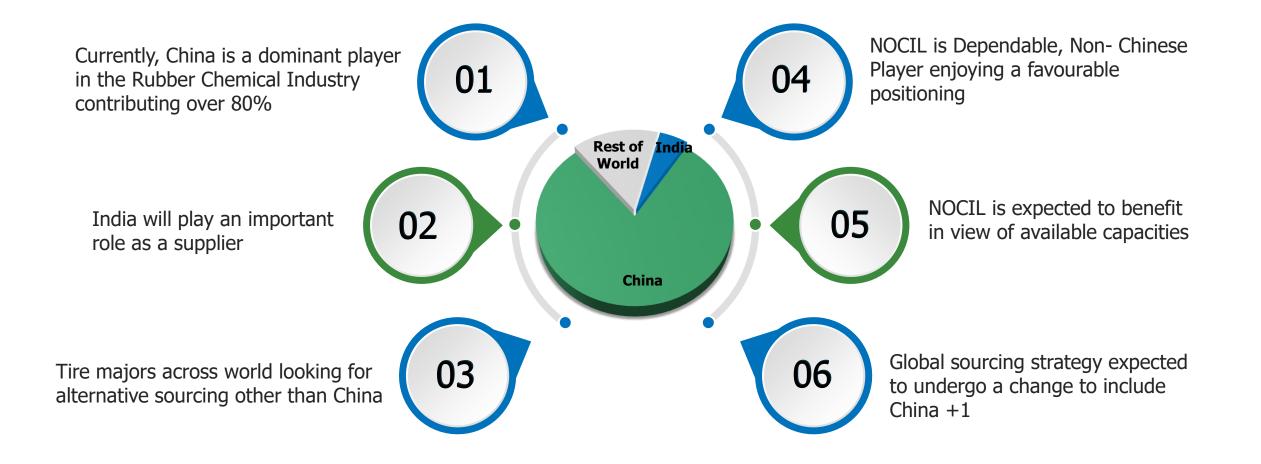

Why NOCIL is a "Supplier of Choice"

| Dependable Player | | | Wide Range of Products |
|--|---|---|--|
| Dependable & quality player with self-sufficiency in key intermediates | | Critical factors pivotal towards NOCIL emerging as a prominent player in the rubber chemical industry are: | Present across the entire range of Rubber Chemicals with a product basket of 20+ |
| Environment Friendly Processes | | Comprehensive Solutions and Technical Support for Rubber Applications | A Pipeline of New Generation Rubber Chemicals |
| Continuous investments are made to adopt various innovative environmental technologies for long-term sustainability | | Global Recognition for Technical Capabilities Pioneering <i>Green Chemistry</i> and Sustainable Growth | Development of niche products using innovative technologies & Green Chemistry concepts |
| | | > Commitment to <i>Responsible Care</i> and | |
| Product Testing & Validation | | > Environmental Sustainability | Entry Barrier |
| Approved and registered vendor with major domestic international tire players offering technical support to customers for rubber applications | ¥ | | Customers take from 6-18 months to approve on a plant-specific basis, and the same is carried out for various locations globally |

CHINA + 1 STRATEGY

Environmental, Social & Governance

Environmental Initiatives

Green Yatra Initiative:

NOCIL undertook this unique and productive initiative involving the plantation of 2,000+ saplings. It included 45 local native species.

'3R' approach' that focuses on pollution prevention & waste management, promoting a sustainable environment

Embrace and Integrate cutting-

edge technologies, including

'Green Chemistry'

Reducing water consumption by increasing the use of recycled water

Investing in R&D for Environmentally Sustainable Products

Increasing the use of renewable energy and fuels

Implementing **'5S Workplace Organization Method'** to enhance productivity, safety, & waste reduction

24

Social Engagement

Padopadi Swarajya:

This project has helped many villages across 4 tribal blocks build strong community institutions, benefiting about 3,600 individuals from the backward and downtrodden sections of society. I covered 18 villages from Palghar and Nashik District of Maharashtra

Su-Poshan:

This project provided nutritional support to farmers in remote areas, benefiting around 240 people. The project area for Suposhan covered 18 villages from Palghar and Nashik District

Social Engagement

Samutkarsh Programme:

This programme is designed for the holistic development of underprivileged children by running community learning centres (CLC or Abhyasika) in urban slums, benefiting around 184 students

Kishori Vikas Project:

The Kishori Vikas project supports adolescent girls aged 12 to 18 from urban slums and villages where Abhyasika's study centres operate. The Project conducts 40 sessions on topics like food, health, sex education, and personality development to boost confidence and provide better opportunities for expression. This initiative has benefited around 1,013 students

Social Engagement

OGQ supported women athletes (L-R) Ashmita Chaliha, Anmol Kharb, PV Sindhu and Tanvi Sharma

Supporting Indian Athletes:

This support aims to provide the necessary resources and nurture India's talented athletes, empowering them to reach their full potential on the global stage.

Promoting Healthcare:

NOCIL allocates funds to renowned NGOs like The Cancer Patients Aid Association (CPAA), facilitating affordable or free treatment for impoverished individuals, especially women, battling serious illnesses such as cancer.
